REASON FOR TODAY'S CALL:
 Clogged upstairs toilet. Tried using plunger but no success (may be that wide plunger mouth is not suited to current toilet shape). No idea what caused the obstruction. Would much appreciate sooner service if you have availability. *call Cyrus after to let him know how it went.

DESCRIPTION OF WORK PERFORMED:
 I used the 6' toilet auger to clear the master ensuite toilet blockage and tested by flushing large rolled up balls of toilet paper. Unfortunately nothing was pulled out on the end of the auger, whatever caused the blockage was broken up and flushed away.
