REASON FOR TODAY'S CALL:

Can you please call my tenant, Mackenzie, and agree on an appointment time first. His number is 604-753-9937. Any time which works the best for the both of you. Please also let me know once you have agreed on it. We need a kitchen faucet installed. We already have the faucet. The hole will need to be enlarged though, so please let me know if you have the proper tools and a quote for how much this will cost. Thank you, Nelson (louisaandnelson@gmail.com)

DESCRIPTION OF WORK PERFORMED:

-SEP7: I removed the kitchen faucet and found that the hole in the counter needs to be cut out more than I am able to. I left the faucet out and used brass compression caps to ensure the shut off valves don't leak while we find someone who is able to enlarge the hole enough for the new faucet to go in. -SEP11: Bob came and drilled the hole out so the new faucet would fit. I installed the new faucet and tested.
