PHONE 604.217.7604		EMAIL nicolesalvian@hotmail.com	

**REASON FOR TODAY'S CALL:**

Stopper that changes the water flow from Bath to shower popped out and no longer works. Want to also put in a new shower head.

**DESCRIPTION OF WORK PERFORMED:**

-I replaced the diverter mechanism within the tub spout diverter and tested. -I installed the customer supplied shower spray hose and head and tested.

**TECHNICIAN RECOMMENDATIONS:**

The shower spray head holder is cracked and barely holds the spray head. This shower bar and holder should be replaced.
