PHONE 1.867.334.7212		EMAIL sjurovich@live.ca	

REASON FOR TODAY'S CALL:
 My new washer makes a loud clunking noise when I do a load of laundry. The sound seems to be coming from the pipes when its on the rinse cycle

DESCRIPTION OF WORK PERFORMED:
 OCT2: I made a visit and found that the water lines between the laundry box and the main water manifold were vibrating in the walls. I used a couple of rags to help alleviate the rubbing at the manifold but will have to try adding additional hammer arrestors at the laundry box to try and displace more of the water hammering.
 OCT24: I returned with 2 new hammer arrestors, installed and tested. The water hammer is now all but gone.

QTY.	CODE	DESCRIPTION	UNIT PRICE	PRICE
2		Hammer Arrestor	\$25.00	\$50.00
2		Labour	\$109.00	\$218.00
