REASON FOR TODAY'S CALL:
 -use K400 to clear backed up perimeter drains.

DESCRIPTION OF WORK PERFORMED:
 -used Ridgid K400 Drain Snake to clear three storm drains in the walk way. ran hose down drains to confirm drains are open and free. -i also ran the Drain Snake through the drain behind the fence to the west of the parkade entry driveway. this drain is flowing clearer than before i ran the snake down but i did run into resistance that could have possibly been rocks. if this drain continues to be an issue in the future we may need to dig up the drain and replace the portion that is blocked.
