REASON FOR TODAY'S CALL:
 -kitchen sink is leaking. ---keys at Advent

DESCRIPTION OF WORK PERFORMED:
 -picked up keys from Advent -tested the kitchen faucet, sink, and dishwasher. all is good working order, no leaking. -i noticed that there was a cutting board behind the faucet resting on the counter that looked like it was put there to dry off. i looked under the countertop where the kitchen sink sits and noticed water staining from water dripping from the countertop through where the kitchen sink rests and making its way under the cabinet. - i siliconed around the kitchen sink and informed tenant that this was the cause.
