REASON FOR TODAY'S CALL:
 -issues with 2 toilets.

DESCRIPTION OF WORK PERFORMED:

Aug5--the bathroom closest to the entry way is in good working order. The tenant reported staining I the bowl that he thought may have been coming from an old flapper but the parts in this toilet have been recently replaced, including the flapper. The second bathroom toilet has a fillvalve installed that is not meant for this toilet and an old flapper that is disintegrating. Replacement parts will have to be ordered from Kohler. Aug11--delivered and installed new Kohler toilet fillvalve, flapper, and supply line in bathroom closest to bedroom.
