REASON FOR TODAY'S CALL:  
 -replace lavatory faucet(Delta Lahara)

DESCRIPTION OF WORK PERFORMED:  
 I delivered and installed a new Delta Lahara lavatory faucet. Even though the new faucet flow was angled more toward the centre of the sink David still had concerns that it may not be enough. I then removed the sink from the counter, removed the silicone and re-set as far back as it can go. Tested by filling and draining the sink multiple times.
