REASON FOR TODAY'S CALL:  
No water from bathroom faucet

DESCRIPTION OF WORK PERFORMED:  
 ---June16: I made a visit to the unit and found that the cartridge in the ensuite lavatory faucet is cracked and in need of replacement. I took pictures of the faucet and cartridge and will reach out to my wholesalers. ---June29: My wholesalers informed me that the faucet is from a manufacturer in China that we cannot get parts for. I replaced the faucet with a new Riobel faucet and tested by filling and draining the sink multiple times.
