REASON FOR TODAY'S CALL:  
replace laundry hoses with braided stainless steal type.

DESCRIPTION OF WORK PERFORMED:  
I replaced the laundry hoses with braided stainless hoses and tested by running the machine through a few fill & drain cycles. During testing I noticed a small steady leak coming from the cold laundry shut off valve. I tried to repair this valve but could not. I cut out the old laundry box and installed a new one, tested and in good working order.
