PHONE 1.250.816.3034		EMAIL Anaiuliastancu@gmail.com	

**REASON FOR TODAY'S CALL:**

Need shower head and faucet replaced. I managed to shut off the water and remove the faucet. I however need it replaced. It's a 3 piece system. The cheapest replacement is fine, I just need it to work ASAP. Thank you! \*email pricing. \*postponed 2 appointment day of.

**DESCRIPTION OF WORK PERFORMED:**

-The shower valve cartridge was not shutting the water off when in the fully off position, I replaced this cartridge(Temp ii), installed a Grohe conversion valve cover on the shower valve and installed the new Grohe trim and handle. -I replaced the tub spout with a delta pull-down type diverter spout and tested.

**TECHNICIAN RECOMMENDATIONS:**

\*The wingback 90 located behind the tub spout appeared to have a hairline crack in the threads but no visible signs of cracking on the outside of the fitting. Before installing the trim and handle I tested by running the tub and the shower for an extended period of time while using our flexible camera to inspect the fitting. No sign of leaking was present.

QTY.	CODE	DESCRIPTION	UNIT PRICE	PRICE
1		Replace Shower Cartridge - Temp II	\$199.00	\$199.00
1		Grohe Bauloop Trim	\$130.00	\$130.00
