PHONE 604-312-1964		EMAIL danterrett@hotmail.com	

REASON FOR TODAY'S CALL:
garburator jammed again *won't be home but will leave front door unlocked

DESCRIPTION OF WORK PERFORMED:
I was able to unjam the garburator by removing a guitar pick, a small piece of metal, and a shard of glass. Tested by filling and draining the sink while running the garburator.

TECHNICIAN RECOMMENDATIONS:
I would suggest placing a stainless steel mess screen over the garburator drain to mitigate the chances of hard objects falling into the grinding chamber:)
