REASON FOR TODAY'S CALL:

hi, I have a air admittance valve off of my kitchen sink and it stinks - when I google it, it says it is to allow air in and should not smell or release air out. Can this be fixed? * My boyfriend Sean will be here. Our buzzer is #1912 and his cell is 604-787-3671.

DESCRIPTION OF WORK PERFORMED:

The original air admittance valve was installed with a fernco clamp around the threads of the valve allowing small amounts of gas seepage. This valve would have come with an adaptor that the installer chose not to use. Unfortunately I did not have a fitting that would adapt this original valve to the vent piping. I replaced the valve with a new air admittance valve.

QTY.	CODE	DESCRIPTION	UNIT PRICE	PRICE
1		Replace Air Admittance Valve	\$149.00	\$149.00
