REASON FOR TODAY'S CALL:

I want to install the hand held hose in our kitchen sink (there is already a hole for it, and we have the actual hose, it just needs to be installed) - i would like the faucet in our kitchen sink tightened. *the side spray was under the sink when we purchased the unit. I assume it is the same brand as the sink/faucet.

DESCRIPTION OF WORK PERFORMED:

-I installed the kitchen faucet side spray and tested.
