 resecure kitchen sink

DESCRIPTION OF WORK PERFORMED:

-April30: I picked up keys from the office that did not allow entry into the building. -May30: I was given the correct keys and made another trip to the unit. I removed the old silicone between the kitchen sink and the countertop and cleaned the area. I then applied new silicone and secured the sink using metal L-brackets. Tested by filling and draining the sink multiple times while running the garburator.
